This is a class taught by the Child Development Resource Center which consists of eight 30-minute classes. It will be done on Tuesdays. A permission slip is going home and must be returned to participate. We are going to include rooms 132, 135, 140 and 142.

We have ordered 6 additional cameras and are in the process of getting those installed. A special thanks to Ray Meggs, our maintenance man, for helping to install these.

### Monthly Reminders:

- The half day program is closed Feb. 20th for President's Day. Remember that if your tuition is \$200 for the

morning only that you fall into this category.

- Please be on time to pick up your children. Pick up times are: Half day-12:30 and full day- 5:30. We will start charging in February for parents that are late. It is \$1/per minute after pick up time. We will ask that you sign the time you picked up and charge accordingly.
- Please label everything!
- Your child needs extra clothes here at school for accidents. Remember to take into consideration the weather changes. We keep extra clothes here as well and this inventory needs refilling. If you have any clothes you would like to donate to this please let us know. We need all sizes.

### Safety Reminder:

Please familiarize yourself with our sick policy from the Handbook. This is a time of the year that we always have problems.

## Bible Time

The month of January was spent talking about Jesus from childhood to adulthood. We did not go into the death of Jesus because we feared that they would not understand and have too many questions. We concentrated on the miraculous things that Jesus did while on the earth.

The children love the songs we sing together during this time. It is a great way to start our day!

During the month of February we will be talking about the life of Daniel. The highlight of the month is about the story of Daniel in the lion's den.

Please remember to ask your children about this important part of our day.

### February Memory Verse:

"Daniel was in the lion's den but he was not hurt, because he believed in God."

Daniel 6:23

## Notes from Julie

It is the time of the year again that we must begin making plans for the next school year. I hope we will have all your children back with us, if not for the summer then for the fall. If you think that you will need a spot, then I urge you to register your child. Registration will be taking place in March. You will have a two-week period to return the forms to us with registration fees after it begins. After those two weeks, spaces will open up to church members and people on the waiting list. Thank you for your support of our program. Any suggestions for changes that you would like to be considered need to be made at this time. We welcome your input!

I want to put a plug in for Compu-Child. This is a really great program that will lay a foundation for your child. They come to our school the first and third Wednesday each month. The cost is \$8/per session. I urge you to look into this program available to you if you are not already involved.

We have a special day this month set aside to remember those we love. Please make a special effort to do that to those around. There are many people hurting right now for various reasons. God has blessed us beyond measure in many ways!

Please note that you can reach me by email to [julie@fbctuscaloosa.org](mailto:julie@fbctuscaloosa.org) or by cell (349-9031). Thanks for your support and encouragement!
