## Important CDP Information

### CDP News:

We want to urge you to take this flu season seriously. We are asking that you take extra precautions to make sure that we keep as many healthy as possible. This means that if your child is showing flu symptoms, or complaining of stomach or head hurting, that you assess them at home to see if it is the onset of flu. We are asking that if you are aware that your child was in direct contact with someone with the flu that you do not bring them into the classroom. Children need at least 5-7 days and 72 hours fever free without medicine before coming back to school.

The Health Department will visit our school soon to look at the records we keep on the children enrolled in our program. Several of you have been told that the shot record we have on file for your child has expired or will be very soon. Please help us by getting us the updated ones as soon as possible.

We do not have a spring Parent Night scheduled, but if you feel a conference is needed with your child's teachers or myself you can call us at 205-391-3115 to set up an appointment. Please know that the teachers will communicate with you if they have any concerns or issues with your child in the classroom.

### Safety Reminders:

- Always make sure that no one suspicious enters the building when you have the door open. Take time to make sure the door shuts behind you.
- If someone is coming to pick up that we are not familiar with, please let us know and ask them to have an I.D.

### CDP Fees:

If you have not paid your entire 2018-2019 supply fee and cot fee please do so. If anyone has a question you can contact the office to get your balance.

### Reminders:

- If you would like a print out of the 2018 school year for tax purposes let us know.
- Label everything that comes to school.
- Bring extra clothes to school for your children. Accidents do happen!
- Be on time to pick up your children. Half day pick up is by 12:30 and full day is by 5:30.
- Breakfast will **NOT** be offered after 8:00. If you bring your child after that time, make sure they have been fed.

## February Birthday's

- Ms. Noah Taylor (Rm. 140)-1st
- Sutton Widdingham (Rm. 143)-1st
- Caroline Cannon (Rm. 120)-1st

- Dax Davis (Rm. 113)-27th
- Mila Davis (Rm. 113)-27th

## Bible Time

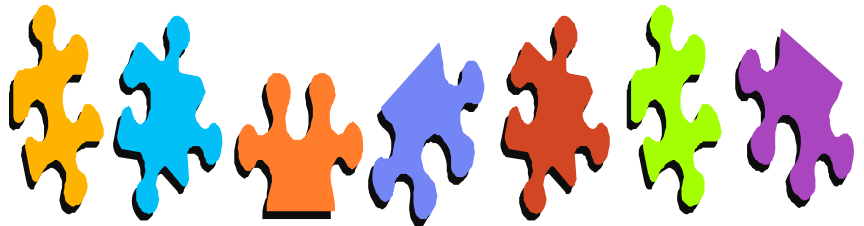

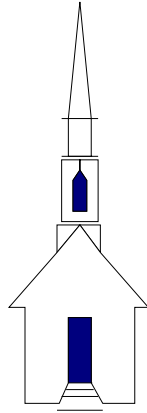

The month of January was spent talking about the life of Jesus. We spent a lot of time talking about several of the miracles that Jesus did. What we wanted the children to understand most is how special Jesus was!

During the month of February we will return to the Old Testament and be learning about the lives of Joshua and David.

## February Memory Verses:

**Joshua:** *“Be strong and brave. Don't be afraid. God will be with you everywhere you go.”*  
Joshua 1:9

**David:** *“When I am afraid, I will put my trust in You.”*  
Psalms 56:3

## **Notes from Julie**

It is the time of the year again that we must begin making plans for the next school year. I hope that we will have your children back with us. Registration will be taking place during the month of March. If you think you will need a spot then I urge you to register. Any open spots will be given to those on our waiting list. If there are any suggestions for changes that you would like to be considered please write them down and leave them in the tuition drop box. We welcome your input and want to service your needs to the best of our abilities.

We have a special day this month set aside to remember those we love (Valentines Day). Please make a special effort to do that to those around you. God has blessed us beyond measure in so many ways. I feel blessed each day to be greeted with the open arms of your loving children, as well as to work with such an awesome group of women that I dearly love! Please note that you can reach me by email at [julie@fbctuscaloosa.org](mailto:julie@fbctuscaloosa.org) or by cell at (205) 349-9031. We put the monthly calendar and newsletter on the website if you need to be reminded of anything. Thank you for your support and encouragement!

*Julie*
